William Maston - Meeting Scribe

Bi-Weekly Summary:
- Discussed upcoming deadlines for the project
- Caught up on summer development progress
- Organized a meeting with the customer

Pending Issues:
1) Work through the challenges presented by the pandemic lockdown.
2) Much of the UI is still not mocked.
3) The group Sisyphus table has a flickering/damaged LED.
4) Task organization through trello.

Plans:
1) Create mockups for UI designs.
2) Create a program to convert cartesian coordinates to polar coordinates.
3) Test program developed by manufacturer of table? (tbd)
4) Acquire an arduino to communicate with the table wirelessly.
